DATA SHEET

BR-150 PRO

TECHNICAL CHARACTERISTICS

Interior dimensions of the vat mm 710x500 Useful measurements of the parts grid mm 680x43 Height of the worktop mm 97 Vat capacity L 18: Power of the ultrasonic generator W 1.00 Ultrasonic work frequency kHz 28/			
Useful measurements of the parts grid mm 680x43 Height of the worktop mm 97 Vat capacity L 183 Power of the ultrasonic generator W 1.00 Ultrasonic work frequency kHz 28/	Exterior dimensions of the machine	Mm	1.500x980x1.510
Height of the worktop mm 97 Vat capacity L 18: Power of the ultrasonic generator W 1.00 Ultrasonic work frequency kHz 28/	Interior dimensions of the vat	mm	710x500x540
Vat capacity L 18: Power of the ultrasonic generator W 1.00 Ultrasonic work frequency kHz 28/	Useful measurements of the parts grid	mm	680x435x400
Power of the ultrasonic generator W 1.00 Ultrasonic work frequency kHz 28/	Height of the worktop	mm	970
Ultrasonic work frequency kHz 28/	Vat capacity	L	183
Liesting element	Power of the ultrasonic generator	W	1.000
Heating element kw 2.7	Ultrasonic work frequency	kHz	28/40
5,7	Heating element	kW	3,75

ELEVADOR

Batting (elevator back and forth function)	yes
Removable loading grille		yes
Type of elevator		Pneumatic
Compressed air connection	bar	6,5 - 8,5
Maximum load	Kg	80

OIL PUSH SYSTEM - System to remove oils and prevent fluid against saturation

Auxiliary vat		yes
OPS Auxiliary vat capacity	L	28

LID

Lid opening mode	Manual
Thermal insulation	Optional
Pre-frame to prevent the escape of vapours	yes
Anti-drip system	yes

SAFETY EQUIPMENT

General switch	yes
Security module with emergency stop	yes
MBTS for the control circuit	yes

STANDARD EQUIPMENT

Control and programming of functions by PLC and touch screen.

Outer paneling made of AISI 304/316.

Exterior fabricated paneling easily removable for access to the interior.

Vat built in AISI 304/316. 2 mm thickness

Chassis built in AISI 304/316 with structural pipe

Thermal acoustic insulation 50 mm thick.

Main and auxiliary tank drain valves.

Adjustable legs in INOX-RUBBER.
